Subject: Membership Fees

Dear ANSA Colleague,

The ANSA Board has reviewed the membership fee structure for the coming 2016/17 financial year and is delighted to announce that the following fees will apply from 1 July 2016.

Family Memberships \$12 (previously \$14)
Senior Members \$8 (unchanged)
Student Members \$3 (unchanged)
Junior Members \$0 (unchanged)

The rationale for the reduction in family fees is that there has been a decline in family membership numbers since the junior fee was made free some years ago. There has been a trend by some family member groups to separately register the senior male member and the junior members but to leave the spouse or partner out of the membership. As a family oriented sporting body this is disappointing. Hopefully this latest fee reduction will encourage full family membership participation.

It is hoped that Branches pass on this fee concession when setting their own fees for 2016/17.
