

ANSA NSW President Stan Konstantaras with pending IGFA world Record

### Konstantaras' Southern Yellowtail

Aussie angler Stan Konstantaras caught and released this beautiful 149-centimetre southern yellowtail (*Seriola lalandi*) on May 17, 2018 while fishing off Three Kings, New Zealand.

If approved, the catch will become the new All-Tackle Length world record which currently stands at 138 centimetres.
