

MEMO

To: All ANSA Branches
Date : 10 March 2020
Subject: National Fees for the 2020/2021 Financial Year

The Executive of ANSA is very mindful that many clubs and members are suffering financial hardship as a consequence of the Covid 19 Virus pandemic and its impact upon employment and business activity.

Accordingly the National Executive has decided to reduce National membership fees for the coming 2020/2021 financial year. Reduced fees are as follows -

Current Fees	Reduced Fee for 2020/21
Families \$12.00	\$6.00
Seniors \$ 8.00	\$4.00
Students \$3.00	\$ Free
Juniors \$Free	\$ Free

It is expected that State Branches when setting their own fees for 2020/21 will pass on these reductions in entirety to their members.

ANSA National will endeavour to absorb this reduction in fee revenue as best it can and it is very likely that the face to face AGM and Branch Delegates meeting scheduled for the last weekend of October 2020 will now be held by way of video conference. Further details on this will be advised in due course.

In the interim keep yourself and family members safe and well.

Warm regards.

John Burgess
Executive Officer/ Director
